

BKCS - Science Camp II

Come join us for science camp at BKCS. It will be 4-half day session filled with curiously fun, hands-on experiments in ecology, biology, chemistry, and forces in motion (grade appropriate of course)

SPECTACULAR SCIENCE !

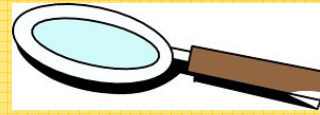

We will divide into the following groups K-2nd , 3rd-5th , 6th-8th. Cost is \$65 per camper. Snack will be provided each day. Register by May 28th and there will be **small group sizes**, so register early to make sure you can come.

Interested in aftercare? Let us know at registration

Contact Grace Bammer with questions.
